To clear water initiative

**RE: THANKS FOR THE SERVICES PROVIDED.**

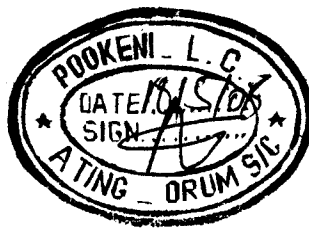

It's a pleasure that from no were services get us from home after along struggle staying in the camps without clean water that this date we get the saviour from clear water initiative with he help of Moses to get very clean water for our families animals its our prayer that may those kind of people continue providing the services to those in need in different areas of the world and may god bless them.

All this is from the office of LC1 of Apookeni village and its members at large and the entire Uganda.

Long live clear water initiative long live Moses Ben.

Thanks  
Yours faithfully
